

Health and Safety General Policy

We at Metaltech uk recognise our duties under the Health and Safety at Work Act 1974 and the accompanying protective legislation. We will endeavour to meet the requirements of this legislation so as to ensure that we maintain a safe and healthy working environment. Our manager and supervisory staff are informed of their responsibilities to ensure they take all reasonable precautions to ensure the safety, health and welfare of those that are likely to be affected by our undertaking.

Metaltech uk Limited are committed to continual improvement and ensure all legislation is kept up to date.

Metaltech uk recognises so far as is reasonably practicable the duty to ensure the following:

- To prevent injury and ill-health from the company's undertaking.
- To provide and maintain a safe place of work, safe systems of work, safe equipment and a healthy and safe working environment.
- To ensure that hazards are identified and regular assessments of risk are undertaken.
- Under no circumstance should the Health & Safety of any persons be compromised for any other gain or objective
- To provide information, instruction and training as is necessary to ensure employees and others are assured of a safe and healthy working environment.
- Promoting the awareness of health and safety and encouraging health and safety best practice throughout the organisation.
- To ensure we are taking the appropriate protective and preventative measures.
- To ensure that we have access to competent advice and are able to secure compliance with our statutory duties.

In order that we can achieve our objectives, and ensure our employees recognise their duties under health and safety legislation whilst at work, we must ensure that we inform them of their duty to take reasonable care of themselves and others that may be affected by their activities. We ensure our employees are informed of their obligations to ensure they co-operate with management and adhere with Metaltech uk safety rules which are provided within the Employee Safety Handbook.
