Certificate of Conformity of the Factory Production Control 0836-CPR-14/F179

In compliance with the Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this Certificate applies to the construction product:

Execution of steel structures and aluminium structures – Part 1: Requirements for conformity assessment of structural components

Carbon steel, stainless steel and aluminium fabrication

Harmonised Standard	Type/model class of the construction product	Declaration method
EN 1090-1 : 2009 + A1 : 2011	Structural steel components and kits up to and including Execution Class 3 according to BS EN 1090-2 : 2008 + A1 : 2011	1 and 3a according to table A.1: BS EN 1090-1 : 2009 + A1 : 2011

produced by:

Metaltech UK Limited
5 Whitefriars Crescent
Perth
PH2 0PA

and produced in the manufacturing plant:

Metaltech UK Limited
Unit 2 Fowler Road
West Pitkerro Industrial Estate
Dundee
DD5 3RU

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 1090-1 : 2009 + A1 : 2011

under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This Certificate was first issued on 10 November 2014 and remains valid for as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production certification body.

Signed on behalf of the British Board of Agrément:

Date of Third issue: 12 June 2017

Brian Moore
Operations Director
